Dear Mrs. Pugh:

Re: Cedarstrom Calcite Mine, S/049/012, Utah County, Utah

Thank you for completing the Notice of Intention to Commence Small Mining Operations for the Cedarstrom Calcite Mine. A copy of the Notice is enclosed for your records.

No additional information is required at this time. If you should decide to increase the mine site surface disturbance beyond five acres, you will be required to file a more detailed plan and a reclamation surety with us.

Thank you for your cooperation. I wish you the best of luck in your mining operations.

Sincerely,

Lowell P. Braxton
